Open MRI Diagnostics offers the only large open bore MRI Scanner in the Inland Northwest

- Our MRI scanner accommodates patients up to 550 lbs.
- Patient anxiety and claustrophobia are all but eliminated
- Majority of exams allow patient's head to remain in the open
- With 1.5T field strength, there is NO image quality compromise
- Consistent, reliable reports by one radiologist, Dr. Watanabe
- Free patient parking, outside our office front door
- Easy access from I-90, Division Street, or Hamilton Street
